Reference: Year-End Report (11/23/2010-12/31/2010)

Dear Mr. Holly:

I am writing you in regards to our Year-End Report received 3/10/2011. In regards to your questions, the following explanation is provided:

Due to a clerical error in our computer system, we labeled the individual, Political Action Committee (PAC) or organization record as the wrong type therefore causing the election cycle to date totals to be incorrect. We have corrected the error in our system. The enclosed amended reports provide the correct election cycle to date totals.

In addition, on the 2009 April Quarterly we reported a disbursement to the Georgia Department of Labor that should have been reported as the Georgia Department of Revenue. The payment was credited correctly to the Department of Revenue and therefore we have amended the report to reflect the change.

At the end of the 2010 campaign we distributed a bonus which was a "win bonus" because we were successful in the 2010 election. The amended year-end report reflects the purpose of the disbursement.

If you need any additional information, please do not hesitate to contact me at 770-818-1493.

Sincerely,

Jonathan F. Anderson
